THE COMMUNICATIONS AUTHORITY

To meet the regulatory challenges brought about by rapid technological advancements and media convergence, the Authority was established on 1 April 2012 under the Communications Authority Ordinance (Cap. 616) (CAO) as an independent statutory body and took over fully the functions and powers of the former Telecommunications Authority and Broadcasting Authority. Its role is to regulate the broadcasting and telecommunications industries in Hong Kong in accordance with the CAO, the Broadcasting Ordinance (Cap. 562) (BO), the Telecommunications Ordinance (Cap. 106) (TO), and the Broadcasting (Miscellaneous Provisions) Ordinance (Cap. 391) (B(MP)O). It also has a role to regulate the sending of commercial electronic messages (CEMs) in accordance with the Unsolicited Electronic Messages Ordinance (Cap. 593) (UEMO). Under the CIO that will take effect on 1 January 2026, the Authority will be a designated authority to regulate the organisational and preventive obligations of critical infrastructure operators in the telecommunications and broadcasting sectors.

The Authority performs the following functions:

(a) Advisory Function to the Secretary for Commerce and Economic Development (SCED) and the CE in C
