

**Public Consultation on
Application for Renewal of Non-domestic Television Programme Service Licence**

Notice is hereby given that the Communications Authority (“CA”) has received an application from One TV Media Global Limited (“One TV”), a company duly incorporated in Hong Kong whose registered office is situated at Unit 2210A, 22/F, Skyline Tower, 39 Wang Kwong Road, Kowloon Bay, Kowloon, Hong Kong, for renewal of its non-domestic television programme service licence for a term of 12 years pursuant to section 11(2) of the Broadcasting Ordinance (Cap. 562).

By issuing this Notice, the CA is not to be treated as confirming the veracity of the particulars of the application nor are they to be treated as, in any way, accepting, approving, permitting or providing consent to the application. Nothing in this Notice shall affect or prejudice any powers, duties, discretion and rights of the CA.

The particulars of the application in this Notice, as set out below, are provided by One TV.

1. COMPANY INFORMATION

One TV was a company incorporated in Hong Kong on 17 October 2011. One TV submits that it has substantial experiences in operating television programme service and programme production. One TV has established a compliance team and engaged external legal advisers in ensuring that its staff comply with the legal and regulatory requirements of the recipient countries and regions of its service.

The current 12-year licence of One TV will expire on 5 February 2025.

2. PROGRAMMING INFORMATION

One TV submits to provide a non-domestic television programme service with two programme channels broadcasting 24 hours a day, namely One TV and General Channel. These programme channels are broadcast in Putonghua and provide a variety of self-produced and acquired programmes, including news, feature programmes, general entertainment, TV drama, etc. The service targets audiences in the Asia-Pacific region and the Mainland China and does not primarily target Hong Kong.

3. TECHNICAL INFORMATION

One TV uplinks its service from Hong Kong to satellite Apstar 5C. The service footprint covers the Asia-Pacific region.
